PANEL DISCUSSION & WORKSHOP

# EAT BETTER END SUPERBUGS

13 & 14 April, 10 - 11.30 AM, National Science Centre Delhi

## What are superbugs and how are they entering our food systems?

Join the discussion with experts to learn more about the issue and what YOU can do about it.

Selected students will be invited to join a workshop on **14th April** for a participatory, arts-based activity to develop awareness material on Superbugs and Antimicrobial Resistance!
