

AMR BATTLE BINGO

AIM OF THIS ACTIVITY

To further strengthen the knowledge of the class on the mechanism of antibiotics in a fun way. This activity helps reinforce the understanding of antibiotics and their mechanisms of action through a fun and interactive game.

What you will need:

Printed BINGO cards
Or
Online BINGO games
(<https://myfreebingocards.com/virtual-bingo>)

HOW TO PLAY

Mode: Individual / Team

Format: Online or Offline

How to Play:

1. Each individual or team will receive a **Bingo card** with names or classes of **antibiotics**.
2. The **moderator** will read out a **clue** describing an antibiotic or its class/mode of action..
3. Participants must **decode the clue** and **strike off** the correct antibiotic on their card.
4. The first individual/team to complete a **row, column, or diagonal** will call out “**BINGO!**”
5. The moderator will **verify the answers** before confirming the win.

Note:

- Only **one antibiotic** can be marked per clue.
- In case of multiple winners at the same time, a tiebreaker round may be conducted.

Use the [Bingo clues Excel sheet](#) to create your own bingo cards
