

KAHOOT - AMR EDITION

AIM OF THIS ACTIVITY

Take a deep dive into the mechanisms of action of antibiotics and explore their Pharmacokinetics and Pharmacodynamics (PK/PD) concepts using a fun and interactive online quiz platform (<https://kahoot.com/>), designed to reinforce key concepts in an engaging way.

What you will need:

Create your own quiz using kahoot platform online (<https://kahoot.com/> - use the questions on the pharmacokinetics and pharmacodynamics of AMR given [here](#) to generate your game).

HOW TO PLAY

Mode: Individual / Team (depending on the number of participants)

Format: Online platform (using mobile phones)

How to Play:

1. Each individual or team join kahoot.it using a game pin
2. The **moderator** will read out the questions and the team has to select the correct answer in their mobile (answers color coded)
3. At the end of the game, the three teams/individuals with the highest score will appear in the leaderboard.
